Silver Service For Battleship Here Today

State Library

ship. Nevada will be in Pioche to up to Governor Boyle to name a day and will be on exhibition at the man to fill the unexpired term, or depot until tomorrow noon, it has rather until the next election. Disbeen planned to have the pupils of thet Attorney Orr is sure to be the local schools assemble at considered and would, no doubt, have the school building at 2 o'clock this many supporters in both counties. In afternoon, after which they will event of his appointment, there would march to the depot.

"Hon, Lewis H. Beason,

Pioche, Nevada. My dear Mr. Beason:

I am taking the liberty of acknowledg TO PREVENT THE KILLING In the absence of Governor Boyle ing your letter of the ninth instant catching, trapping, hunting or pursurelative to the itinerary of the Sil- ing with an intent to catch, capture, ver service for the Battleship "Nev- injure or destroy any elk in the

You will observe from the enclosed itinerary which was adopted some 1926; to prevent the selling, buying, time ago that the service will reach Pioche Saturday, March 18th at 9:30 or exposing for sale, or puqrehasing A. M. and will leave Pioche Sunday or having in posession within the March 19th at 12:01 P. M.

The service will be carried in the private car Mizpah of the Tonopah and Goldfield railroad which will be the place of exhibition in each comunpacking the set in each town, and of the Co. of Lincoln, State of place had to be abandoned owing to Nevada do ordain as follows: having it displayed in some prominent place to be abandoned owing to any person or persons, firm, company, to marring which would inevitably corporation, or association to kill take place in this event. The car venient place and the public vinited any elk within the County of Linwill be "spotted" in the most conto view the set as displayed in the John State of Nevada, before the

Caliente is included in the towns made for Panaca. You might take pany, corporation or association to this matter up with the local railthis matter up with the local rail-road people and see if they cannot ar offer or expose for sale, or purchase range to make a longer stop at from any person whomsoever, any panaca than usual in order that those interested could see the service. If Lincoln, State of Nevada, before This could be done going to and from

With kindest regards, I am, Sincerely Yours, C. D. SMITH,

Secretary to the Governor.

It is proposed to have the trais enroute from Pioche to Caliente tomorrow stop long enugh at Panaca station for the residents of the high school town to get a glimpse of the silver service. Arriving at Caliente, the county of Lincoln, State of Nevthe special car containing the service ada, for a term not exceeding six will be open to the public that evening and until the departure of No. 26 for Salt Lake and the northern part of the state. After completing the tour of the state, which will end at Reno on the 29th inst, the service elk meat was taken or killed outside will be forwarded to be placed on the battleship bearing the name of the state.

It is understood that the itincrary will be under the direction of one in whose possession the same E. O. Mc Carmick, vice-president of were found, the Southern Pacific railroad who will be with the car at every point visited. Will Epstein of Carson will also be along to keep the exhibit in shape. Douglas White, industrial missioners of the County of Lin-Agent of the Salt Lake route, will coln, state of Nevada be with the car while it is on the lines of his road.

Every resident of this community should take advantage of this rare op portunity to see Nevada's gift to the big Nevada ship of Uncle Sam's.

JUDGE HORSEY IS NOT READY FOR ANNOUNCEMENT

Judge Chas, Lee Horsey returned last Sunday from a trip to Rend where he was in attendance at the meeting of the Democratic state icommitte and incidentally to attend to some business matters and reel the political pulse over on the

other side of the state. In connection with the possibilities of becoming a candidate for the Democratic nomination, Judge Horsey still withholds his announcement and in fact, declares that he has no definitely decided, although he has rreceived much encouragement and proffers of support fom men influential in his party. But in any event, should he decide to enter the race, he will first step down from the bench, by handing his resignation to Governopr Boyle, and then make his announcement; for he does not want it said that there has been mixing of the judiciary in politics in his case.

tle speculation as to who his succestend. It will be worth while.

A three-round boxing contest and decidedly amusing.

The attendance was large and to hose who like that kind of sport the show was well worth the price admission.

There has been a steady complaint rom the various mining companies perating along the Snake range in Neveda that it is almost impossible night and reported that work and their troubles will doubtless increase during the winter months.

mite, Elmer Goodale of Eiko, had tearing his right hand completely off ficulty shortly. at the wrist.

Leonard W. Asher, express messenger, was sentenced to three years in the federal penitentiary at Leavenworth when he pleaded guilty at Salt Lake to the theft interstate of an express packet centaining \$5,000, which he was intrusted to deliver from last July.

Word from the state hospital in Nevada is to the effect that Cra Foy, of Ogden, Utah, who was arrested at Reno ten days ago and detained at the city jail for investigation for insanity, has practically recovered his reason and is doing as well as could possibly be hoped by the attendants and physician at the asylum.

Sam Murphy, a Washoe Indian, has confessed to the murder at Reno of a BRISTOL MINES AGAIN IN young Indian woman known as Daisy, who was found with her juglar velu severed and a deep knife gash over her heart, a couple of gashes in her cheek and the point of a knife blade imbedded about half an inch in the skull at the base of the nose

An Oregon Short Line train ran into a bunch of twelve deer near Nugget, Wyo., and killed two of the animals. The herd appeared dazed by the locomotive headlight and made no attempt to leave the track. The animals killed are a large buck and a doe. A few days previous a gasoline speeder ran into a herd of fourteen deer in the same vicinity.

An estimate from the number of tons of baled hay that has been shipped out of Fallon, Nevada, in the past month placed the total at something over 2,000 tons. Over 120 carloads of the baled produce was sent out of the valley in the central part the farmers between \$8 and \$9 per ton, or nearly \$18,000 for the total.

After suffering for several months from an attack of paralysis. Edgar Hadsell, pioneer stage driver of the state, died at a hospital in Carson City, Nevada. For forty years Hadsell had been driving stage in the west and most of that time was spent in Nevada. In the early days he was an assistant of Hank Monk whose name has been storied from the Atlantic to the Pacific.

The board of county commissioners held a special meeting at Ely, Nevada, for the purpose of declaring a quarantine on sheep. A number of the prominent sheep and cattle men found to have rables.

The Consolidated Nevada-Utah mill building is completed and the installation of machinery is going ahead rapidly. At the present rate progress it is expected that the plant will be ready for commission
